From the papers referred to by the 1st Councillor (now put up) it will be seen that the question of abolishing the fee of one anna, which is being levied unauthorizedly by the Seringapatam Municipality on laden carts and herds of cattle that pass through the town, is alone under consideration
	18. In submitting the papers relating to the above question the Assistant Secretary suggested the following
	19." And it is apposite for consideration why such practice, where it exists, may not be ordered to be discontinued, as unauthorized, except in Bangalore and Mysore cities, where fee is levied under Octroi rules only in respect carts laden with dutiable articles

"The levy in question, wherever unauthorized, must be discontinued."

22 "What is the revenue from this Source and what has the Municipality Concerned to say in regard to its abolition."

23. In making the enquiry as per above direction of the Dewan, the President of the Municipalities in the Hassan District was also written to furnish the income to the Hassan Municipality from Dahadhari fees on distillable articles conveyed by carts and animals — no such fee being levied on those articles

Proposal from the President of the Municipalities in the Kadur District to levy a fee of one pie on each free Rahadari issued for goods passing through the Chikkamagalur town without breaking bulk.

The levy of one pie will be simply vexatious without bringing any appreciable increase of revenue to the Municipality. In the Hassan town such fee is levied at one anna. If it is considered desirable that a fee should be levied in the Chikkamagalur Municipality, the Municipal Board may revise their present proposal.
